				h									

### Across

1. Something you can do to reduce the number of cars on the road.
2. A way to get somewhere without driving
3. A pollutant that can be good or bad depending on where it is.
4. A mixture of pollutants (including ozone) that can cause poor visibility on high ozone days.
5. You can pedal this to school.
6. A way to encourage people to go to work in the same car.

### Down

1. Another word for car.
2. A planet that has a hole in its ozone layer.
3. A mode of transportation that lots of school kids use to get to school.
4. A garden tool that should not be used until after 6:00 on high ozone days.
